Portability	<p>You have the right to ask our Company to provide you with your Personal Data in a structured form or you can request that it be transferred directly to another controller. A prerequisite is that the data has been provided with consent or in the context of contract performance and also that the data is held by automated means and not in paper form. A further condition is that the data must have been provided by you and does not apply to the case in which the data have been inferred by our company on the basis of data provided by you.</p>
Object	<p>You may object at any time to any processing of your Personal Data, which has a legal basis of legitimate interest, including in the case of profiling. If you exercise this right, our Company will have to demonstrate compelling legitimate grounds which override your rights and freedoms or which relate to the establishment, exercise, or maintenance of legal claims in order to continue such processing.</p>
Right to human intervention	<p>Our Company does not make decisions using a technical means by which your personal aspects are evaluated and decisions are made solely on the basis of automated processing that produces legal effects on you or significantly affects you in a similar way. Nor does it profile you through automated processing of Personal Data without human intervention. You are hereby informed that you have the right to request human intervention in decision-making through automated processing and to express your views on the decision.</p>
Supervisory authority/Alternative	<p>You have the right to submit your complaints or a complaint to the local supervisory authority about our processing of personal data. In Greece, the supervisory authority for data protection is the Hellenic Data Protection Authority -www.dpa.gr/.</p>

forms of dispute resolution

As the protection of your Personal Data is a priority for our Company, you can contact our Company at any time and with our Company for any issue or complaint regarding the processing of your Personal Data.

In addition, our Company suggests that you choose alternative dispute resolution - mediation as a more flexible means of resolving disputes between you and our Company.

ii) Procedure for exercising your rights

- **Identification:** We aim to maintain a high level of confidentiality of all records held by our Company that contain Personal Data, therefore we reserve the right to ask you for some information to prove your identity if you make a request to exercise your rights in relation to those records.

- **Specific requests:** Your request must include specific and true information and/or facts in order for us to respond and/or fulfill it accurately. Otherwise, our Company reserves the right to reject requests that are unfounded, excessive, abusive or illegal.

- **Timelines:** We will respond to your valid and accurate requests within one (1) month of receiving them, unless they are particularly complex or a large number of your requests have been submitted together. If we need more time to respond to your request, we will notify you in this regard within the month and in any case our response will not exceed three (3) months.

- **Cost:** We will not charge you a cost for exercising your rights in relation to your Personal Data unless, as provided by law, your request for access to information is unfounded or excessive, in which case we are entitled to charge a reasonable fee in the circumstances. In any event, we will inform you of any charges before we complete your request.

- **Contact:** you can contact us at the details mentioned above in point II.ii) and submit your comments, questions, remarks or any complaints regarding this Policy and the general collection and processing of your Personal Data.

V. Recipients of your Personal Data

i) In the context of the proper operation of our website, reservations and the organization and administration of the Grand Resort Lagonissi Hotel, our Company cooperates with third companies/partners or suppliers, who gain access only to as much data as is absolutely necessary.

ii) The selection of our partners and suppliers (individuals or companies) is based on the essential competence and a high level of professionalism and an appropriate level of protection of Personal Data. Our Company selects its partners or suppliers based on the criteria of providing appropriate technical and organizational guarantees for the protection and security of Personal Data.

iii) In some cases our Company's partners are independent Data Controllers (such as providers of special services that you wish to receive in connection with your stay at Grand Resort Lagonissi and that our Company facilitates you to receive by contacting them). In addition, our Company may transfer your Personal Data to third party recipients as separate Data Controllers, when required by law or in the context of its proper administration and operation (for example, but not limited to, public bodies and authorities as well as the lawyers we work with and the occupational physician). In cases where our Company transfers your Personal

Data to separate Data Controllers as recipients, they are themselves responsible for lawful processing of our data under their own protection policies.

iv) In the context of cooperation with our suppliers, our Company enters into the relevant data processing contracts for this purpose in accordance with the GDPR and the Data Protection Legislation in their capacity as Processors or joint controllers - as the case may be.

v) In particular, therefore, our Company may transfer your Personal Data to the following categories of recipients on a case-by-case basis:

a. Providers of specialised services

b. Technology service providers, technical companies creating and hosting websites and digital booking platforms

c. Public Authorities and Bodies

d. Judicial, police, prosecution or other authorities in accordance with the applicable legislation and by virtue of a legal mandate. In the event of a legal order, official order or official preliminary investigation, our Company has the right to make the relevant data available to the relevant authority without any further action.

e. Associated law firms or lawyers

f. Bailiffs, notaries

g. Physician/Doctor

vi) Please note that when we cooperate with third party booking platforms, not all of your data collected through them are forwarded to us, but only those necessary for the realization of your booking, as indicated in the table in paragraph 1.2.1 in section 6 as B2B, in the framework of our agreement with these platforms. For the processing of your Personal Data through these digital platforms, their respective terms and policies apply. Our Company obtains your Personal Data necessary for your stay when you complete the Registration Form at the start of your stay.

VI. Data transfers

Our Company generally stores your Personal Data on servers located within the European Economic Area (EEA). If data is to be transferred to third countries outside the European Economic Area, it is mainly transferred to a country that has an adequacy decision or is part of the US Data Privacy Framework. If our Company needs to transfer your Personal Data to third countries for which there is no adequacy decision of the European Commission or to International Organizations, all appropriate safeguards provided for in the applicable Greek and European legislation for the protection of personal data and in the decisions and directives of the competent European bodies for the protection of personal data regarding transfers to third countries as well as appropriate contractual, technical and organizational measures will be taken.

VII. Data security

i) The Company takes all necessary technical and organizational security measures to protect and ensure the confidentiality of your Personal Data.

ii) Our Company selects entities with equivalent professional qualifications that provide sufficient guarantees in terms of technical knowledge and personal integrity to protect your Personal Data. Your Company, through

both its respective contractual commitments and its partners and suppliers, takes all necessary security measures to protect and ensure the privacy, confidentiality and integrity of Personal Data.

iii) In any case, the security of those in the environment of the Website or booking page is subject to events beyond its sphere of influence, as well as errors due to technical or other network weaknesses beyond the Company's control or reasons of force majeure or fortuitous events.

VIII. Amendments to this Policy

i) Our Company reserves the right to amend this Policy at its discretion when the procedures it follows in the provision of its services or the applicable legislation are amended. Amendments to this Policy shall take effect from the date of their posting on the Grand Resort Lagonissi website. We therefore recommend that you frequently visit this section of our website, where this Policy is displayed, in order to keep yourself informed of any changes.

ii) However, if you wish to obtain any clarification or information regarding the changes or have any dispute, reservation or question regarding the amendments to this document, you may contact us. Please note that any information/clarification provided to you pursuant to the above regarding the possible changes to this Policy shall not constitute a replacement, substitution or any amendment to this Policy.
